

Topic:	Geography How is life different in Kenya to our life in UK?	Year:	2	Term:	2
--------	--	-------	---	-------	---

Key Knowledge

There are 7 continents- **Africa, Europe, Asia, Australasia, North America, South America and Antarctica.**

There are 5 main Oceans- **the Pacific, the Atlantic, the Arctic, the Indian and the Southern Ocean.**

Kenya is a country in East Africa on the **Equator**, which is a region which is marked by an imaginary line- the hottest part of the world. UK is a small country in the Northern hemisphere.

Kenya has 2 seasons-the wet and the dry season. The **climate** is different to UK. It is hot all year round. UK has 4 seasons- Spring, Summer Autumn and Winter and the temperature varies all year round.

The capital city of Kenya is Nairobi which is very different to London.

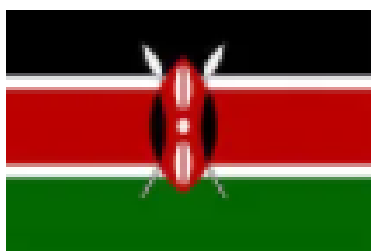

The highest **mountain** in Kenya is Mount Kenya .It is the highest mountain in Kenya and the second highest in Africa, which is Mount Kilimanjaro in Tanzania. There are no mountains that high in UK.

The landscape of Kenya consists of **mountains, deserts, volcanoes** and large **lakes**. We have small hills and woods in UK.

There are **cities, towns** and **villages** like there are in the UK.

Wildlife in Kenya consist of rhinos, giraffes, elephants, giraffes and wildebeest .In UK you will not find these in the wild.

The language in Kenya is Swahili not English.
